Import pledges	2

7.83.0 New Features

This guide lists new features available in **eTapestry** 7.83.0, released on January 21, 2024.

Import pledges

You can now import pledges with the **Account Information with Single Pledge** and **Single Pledge by Account Number** import types:

- **Account Information with Single Pledges** – Use this import type to create a single pledge for new or existing accounts.
- **Single Pledges by Account Number** – Use this import type to add a single pledge to existing accounts with the account number.

To import pledges, from **Management, Import**, select **New Import** under an existing category to access the import wizard. On the first step of the import wizard, under **Select the Type of Information to Import**, select **Account Information with Single Pledge** or **Single Pledge by Account Number**.

Tip: Check out [Import Tutorials](#) to review import procedure steps.

For more information, see [Import Types](#).
