

# 7.85.0 New Features

This guide lists new features available in **eTapestry** 7.85.0, released on April 14, 2024.

## Migrate Sage and BBPS transaction processors on auto processing transactions

**Note:** Only admin users can run this migration.

You can now migrate Sage and Blackbaud Payment Services (BBPS) transaction processors on auto processing transactions.

From **Management, My Organization**, select **eCommerce**. Under **Links**, select **Migrate Sage transactions to BBPS** or **Migrate BBPS transactions to another BBPS processor**.

Choose the transaction processor you wish to migrate and the transaction processor you wish to use. Select **Run**.

For more information, see [eCommerce](#).

## Journal: Move contacts and notes to other accounts

Based on feedback, you can now move contact and note journal entries from one account to another.

From an account's Contact or Note page, under **Tasks**, select **Move to Another Account**. Search for and select an account to move the contact or note information.

For more information, see [Contacts](#) or [Notes](#).

## DIY Forms: Display text buttons on Membership forms

You can now display text buttons on membership forms for **Membership Type** and **Membership Level** fields.

From a membership form, select to edit your membership selections. From **Set Membership Fields**, select to edit **Membership Type** or **Membership Level**. Under **Display Type**, select **Text Buttons**.

For more information, see [Enter membership information on a membership form](#).

## My Drop Box

On April 1, 2024, **eTapestry** began automatically deleting files older than 18 months from your drop box. You will need to download files older than 18 months if you wish to keep them for your records.
